Preface

Text Organization

This text is not at all organized.

Part I

First Part

Olive branch left on the Moon by Neil Armstrong.

Chapter 1

First Chapter

This is chapter one.

1.1 Fine

This is a section.

1.1.1 Finer

This is a subsection.

Chapter 2

Second Chapter

This chapter follows Chapter 1.

Part II

Last Part

Stanczyk by Jan Matejko

This is the last part. It has no chapters. But here is a code block including an `if` statement.

```
1 x = 10
2 if x > 10:
3     print('wow')
4 else:
5     print('oh')
```

Bibliography

Itô, K. (1944). Stochastic integral. *Proceedings of the Imperial Academy*, 20(8), 519–524. <https://doi.org/10.3792/pia/1195572786>

Matejko, J. (1862). Stańczyk.
